DON EZELL, Pastor

To Whom It May Concern:

As Senior Pastor of Harbor Christian Center, I am well acquainted with Dan and Jan Preciado as former members of our congregation.

Dan and Jan were married at Harbor Christian Center in 1995 and soon afterward became actively involved in the ministries of the church. During their seven years with us, they served as Assistants Directors of the Usher Ministry, altar workers, co-directors of the Marriage Ministry and Communion Servers.

As they faithfully served in these volunteer ministries, it soon became evident that their special passion was ministry to married couples and their families, and especially to stepfamilies.

Dan and Jan speak from personal experience as well as from a solid grounding in the Word of God. I highly recommend them for ministry to those contemplating marriage or remarriage, married couples and couples with blended families.

Sincerely,

Pastor Don Ezell
